PLENTY OF LEIGHWAY

Dear *Mayfair*,

My girlfriend, Leigh, and I have been seeing each other for about four months and the girl is almost insatiable. She's definitely the best fuck I've ever had and I think her penchant for anal sex might have a lot to do with it! We shagged the first night we met – she said she didn't see the point of holding off when we obviously fancied each other so much – and I actually fucked her up the bum before I did her in her pussy!

We met in a club and she invited me back to her place. Though, instead of the clichéd 'coffee', she forwardly asked me back for a fuck! So I obviously knew sex was on the cards, but I had no thoughts of having anal. We'd been snogging and

"SHE PUSHED AGAINST ME HARD, THEN RELAXED SO I COULD SLID ALL THE WAY IN, INCH BY INCH"

messing around on my bed, fully clothed, and she asked me if I could please get her a drink. It turned out that was just a ruse to get me out of the room, and I came back to find her naked on the bed, on all fours. Her legs were slightly parted and I saw her shaved pussy was all wet and pink and a bit swollen, definitely really turned on. She'd also slicked loads of shiny wet lube onto her arsehole, leaving the tube next to her on the bed for me to use on my cock. As if I hadn't gotten the hint already, she looked me in the eye and purred, "I want you in my arse!"

I was already rock hard, but as I slathered the lube on from root to tip I felt my shaft swell even more, twitching in my hand. I asked Leigh if she was sure about it and she gave me a look, so I told her to get on her back. I wanted to watch her face as I fucked her pert, cute arse.

She bent her legs, so her knees were right up by her tits and her feet were against my shoulders. I had my dick resting on her mound, moving it around as I had a little play with her tits, then I skimmed it right down her slit until the

tip was right up against her tight little bumhole.

I took things slowly and easy, even though Leigh had obviously taken plenty of pricks in her bum. She didn't tense up, but instead pushed against me hard, then relaxed so I could slide all the way in, inch-by-inch. I knew right away this would be the tightest fuck I'd had in my life. All the while I was staring at her pretty face. Sometimes she couldn't keep eye contact, so I got off on all the little gasps she was letting out and the way she blushed slightly pink. Once or twice, I felt her arse go into spasm, something it didn't seem she could control, but I sorted it out by giving her clit a little fondle. Not too much, though – she didn't want to come too quickly without any build-up, so she put her hand on mine to stop me rubbing her.

"Just grind round, yeah, that's it," Leigh moaned, and then virtually

BUPA-DOOPER!

Dear *Mayfair*,

Call me old fashioned, but I firmly believe there's no sight in the world better than a gorgeous woman with perfect boobs taking her clothes off (*That's not old-fashioned – it's a timeless truth!* – Ed.), so needless to say I've been a regular *Mayfair* reader ever since I first discovered the magazine 20-odd years ago. I've lost count of the number of beauties I've admired over the years, but every month I can guarantee there'll be at least three girls who put lead in my pencil and make me feel like a randy teenager all over again. Of course the top prize in volume 53 issue 10 has to go to Emma Green, who wouldn't need any nursing skills or bedside manner to get a job in any private hospital I founded! As long as she sashayed about the place in those red fishnets, her gorgeous shaven pussy perhaps occasionally peeking out beneath her skimpy top, I'm sure she'd do all the patients a power of good as they recuperated from whatever ailed them! But I have to say the gorgeous Viola ran her a close second. Long may you and your roster of stunning babes continue.

Ben, Warwick.

SUMMERS LOVIN'!

Dear *Mayfair*,

I don't know whether to be angry or relieved – angry that you haven't seen fit to publish any pictures of the incredible Lucy Summers before this issue, or relieved that you've finally got round to it. As a fully signed-up member of the Busty Blondes Fan Club, I was delighted to feast my eyes on here, especially posing in some of the more challenging positions. The photo of her on page 64 reclining on the desk with her perfectly-rounded arse and inviting pink pussy that was just crying out for a stiff cock to satisfy it has got to be the most arousing pictures in the entire magazine. The desire to my aching prick into either welcoming aperture is one that just seems to grow stronger each time I look at it. If Lucy ever finds herself going a bit short, please be sure to pass on my details, won't you?

Martin, via email.

Sure thing, Martin... once I've given her my details first! - Ed.

Even if I had wanted to keep things slow I couldn't have, as Leigh started banging herself on and off my cock. She wanted it hard and fast, and that's what she made sure she got, loving every stiff inch of prick plundering her arsehole.

My plums bunched up a bit, like a warning shot, so I paused, buried in deep and cupped my balls to rub them up against her pussy lips, rough hairs straining her soft, wet flesh. She was fingering her clit and came again, almost immediately,

yelped as I slipped a finger in her snizz, hooking it to catch her G-spot as I played it in and out. She clenched her arse tight now, gripping me as I started to thrust. "Play with your tits," I told her. She had a nice-sized pair which were wobbling as I fucked her a bit harder, and she seemed to know all those porn star tricks that make her look so horny: shoving and kneading them together hard and pulling on her own nipples, stretching and pinching, working herself up even more. A couple of times she even managed to lick them, but soon she was too carried away by what I was doing to her arse and pussy.

Even so, Leigh still didn't want to come yet – I could feel her trying to hold back, tightening against me. I put my free hand back on her clit and started using my fingers. She slapped her own hand over it but this time I decided I wouldn't stop unless she actually told me too. She didn't, and next thing I felt was her arse clamping around my shaft like a vice, virtually tugging on it as her muscles started to ripple. Her pussy went into overdrive too, gushing juices as I teased it with my finger.

All of a sudden, she told me to stop. I was so surprised that I did so immediately and she pushed me off her. I needn't have worried, though, as she simply rolled over onto all fours, and beckoned me in again. I didn't need telling twice and positioned myself behind her, so my throbbing prick nestled between her butt-cheeks, nudging her puckered hole gently.

I dipped into her slowly this time, relishing the feeling of her arse swallowing me down, all the way to the hilt. And when my balls hit her bum-cheeks, she wriggled about, tightening her ring around my tool. I saw her hand reach down and then she was stroking her dripping pussy, getting her fingers all sticky-wet in the juices collecting there, before using them to tickle my balls. I just enjoyed it for a while, before beginning to thrust, slowly at first before building up speed.

but was still raring to go. I took a few deep breaths, then started fucking her once more.

Her bum was clamped securely around my pulsing prick and I pumped away as hard as I could, before I hit the critical point. My balls shrunk right up, and then blasted a big load deep inside her arsehole. She started to come again as I pulled out, and I dropped to my knees and fingered her clit, so I could watch the blobs of spunk drip out of her with every orgasmic jolt.

We shagged for most of the night, and by the time morning came, I had fucked her in virtually every hole! I have every intention of staying with Leigh for as long as she'll have me – any woman that fucks like she does is definitely a keeper!

Clive, Rochdale.

THE UNBELIEVABLE BOOTH

Dear *Mayfair*,

I'm a mature student – well, by that I mean I'm in my late 20's, although lots of people who know me might think that the word 'mature' doesn't quite sum me up. As I'm a bit older than most of the other students I'm wary about appearing like an older lech and hitting on them, and besides, I've got a steady girlfriend back home, but that didn't stop me having a memorable night recently.

In the student union building they hold weekly club nights, where pretty much everybody goes in order to get hammered and try to pull (apart from me). As it's a union rather than a proper club, there's no security, so you can generally get away with a bit more. For example, in an alcove in the corner of the main hall there's a passport photo booth, which is used for

I'm not overly sure of all the lyrics, but at rugby international the Scottish crowd always do a rousing verse of "Flower of Scotland", and as well as the wonderful patriotic emotions it stirs in the sons and daughters of Caledonia it always makes me think that I want to head north to check out all the lochs and glens a bit more. But of course Scotland has other natural beauties well worth checking out, like the delectable Cassie Clarke here, who only debuted in *Mayfair* five issues ago but is already firmly ensconced in our hearts thanks to her perfectly formed bod and her penchant for taking her clothes off and giving us a good old look at it. Oh flower of Scotland indeed!

M

class registrations and student passes, amongst other things, which has a bit of a reputation. On a club night a couple of weeks before the end of last summer term I was taking a breather in this area, and was feeling a bit tired and emotional, when I heard some giggling and movement coming from inside the booth.

Moving slightly for a better look, I saw two pairs of women's legs below the flimsy curtain, facing each other. Suddenly, one of the women sat down, and I saw the other pair of high heels that had been stood up move forward and then dangle, as if she had mounted her partner on the stool. I surreptitiously slid down the wall, pretending to be more out of it than I was, so my eyes were in perfect line with the bottom of the curtain. I'd never thought of myself as a Peeping Tom before, but I got the most thrilling feeling when it occurred to me that I could now see both pairs of thighs, and the hands of the girl sitting down groping the arse of the girl astride her!

The girl on top was grinding against the other, and they were clearly snogging passionately. The next thing I knew, her skirt was being pushed back, revealing lovely fleshy thighs and a glimpse of her black underwear, as the hands groped her now bare skin. My dick was tensing and throbbing inside my trousers and I was dying to get it out and do exactly what I do when I get a copy of your magazine home!

As I watch, transfixed, the show began to get even better (or worse, in my throbbing cock's case!) as the girl sitting down smoothed her hand over the fantastic thighs that were wrapped around her and

MY HARD-ON WAS RAGING BY NOW – I HAD NEVER ACTUALLY SEEN TWO GIRLS RIMMING EACH OTHER BEFORE...

finally plunged it between her friend's legs.

I was virtually lying down now, and, craning my head (not particularly discreetly, it has to be said!), I could see the girl on top thrusting away at the fingers that were obviously frigging her clit hard, as the part of the arm that was visible to me was shaking vigorously. I realised I was holding my breath as she now lifted herself up slightly, before impaling herself on the hand, edging her thighs further up her friend's lap and rocking on her fingers. The girl sitting down began to yank her own skirt back, and on seeing both pairs of naked thighs pressed together, I shifted uncomfortably in my jeans, the denim bunching up tightly around my hardening cock. It was almost too much to bear.

As I watched, the girl that had one hand being ridden, sneaked her other one down towards her own fanny to strum her clit, the back of her hand arching above her mound as it reached its goal. I could make

out perspiration on the thighs of the girl getting finger-fucked and I heard a vague moan, her thighs tensing and relaxed rhythmically as she came, and I couldn't help but imagine that she was soaking her friend's knuckles with her sticky, clear juices.

Standing as her orgasm subsided, I jumped, thinking they were about to emerge from the booth. I was mistaken, however, as the girl now standing pulled her mate to her feet and spun her around. Bending her over the seat, the girl who had already come dropped to her knees (giving me a great view of her lush, ample boobs) and, shoving her head between her friend's bumcheeks, began slurping away at her pussy. I mean, there were no inhibitions or fears of being caught here – I could hear everything

she was doing as she sucked away, making her mate gasp and moan. As her fingers explored and delved into the wet snatch before her, she shifted her mouth's attention to the puckered hole above. My hard-on was raging by now – I had never actually seen two babes rimming each other before, except on a porno, even if they were faceless to me. In fact, that just made the whole experience even more exciting; they could be just about anyone on campus!

The girl bent over the stool was now thrusting back against the fingers buried in her twat as they pumped in and out, faster and harder, her soft moans turning to more pronounced cries, and, as she banged a hand hard against the side of the booth

FAN-TASTIC!

Dear Mayfair,

I love your mag – I really do! Not only do you constantly supply the needs of old lechs like me by getting the knickers off of lovely ladies such as Adele Taylor, Emma and Amy Green, Bexi Williams et al, but you also find a steady stream of new, daring ladies such as the "Oh my Lord!" gorgeous Saskia. I think I'd better get a pacemaker fitted so I can attempt to keep up with them all as the years go by!

Out of interest, has any of the following ever done a 'nunnie on show' photoshoot for Paul Raymond Publications... Eva Wyrnal, Claudia Dean, Cara Delahoyde, Claire Andrisani?

Frank, Northants.

Thanks for the encomium, Frank - we do our best, but it's always nice to be told! As for those girls mentioned, well yes, we did feature Cara a couple of years ago, although sadly she's moved on since then. She appeared in 50.01, 50.04, 50.07 and 50.11. If you can't find the issues, digital photosets can be bought from <https://www.paulraymond.xxx/girls/69-cara-delahoyde.html>

(making me jump, once more), I realised she was climaxing. I thought she'd bring the bar running when she let out a stifled scream, but luckily the music was too loud, or everyone was too pissed. As she came down, her friend returned to lapping at her pussy, sticking her tongue out and running it the full length of her crack. It was the horniest thing I have ever fucking seen!

As much as I wanted to stay for the end of the show, I thought I'd better get out of there before they caught me drooling and nursing a massive chubbie. Needless to say, my next stop was the toilets – and a locked cubicle – to relive what I'd just seen in my mind, and sort myself out. It didn't take me long!

Dean, Southampton.

It's always a joy to welcome Jamie Jenkins back for a shoot – we've never yet hooked up with her without finding her full of the joys of spring. But how on Earth does she maintain such a sunny disposition – especially when she knows she's going to be spending the afternoon in the company of some of the hangers-on here?

“Oh, I don't know – I guess I'm just naturally optimistic!” she beams. “I'm young, healthy, and have a job that's never boring and that lets me meet new people all the time, so what's there to be gloomy about?!”

Hmm, wise words indeed!

Derbyshire's one of those counties it's easy to overlook – at least it would be if it weren't so hilly! But it's actually produced quite a few things we'd all be much worse off without – Derby scones, Derby hats (bowler hats, basically), and, er, Donkey Derbys. It has also produced the rather wonderful Lauren Louise, who's here for only her third appearance, since she first graced our pages over a year ago. So Lauren, has Derbyshire got anything we've forgotten? "Well We're very proud of our Bakewell tarts!"

Really? Perhaps you could introduce me sometime...?

Bexie might well look the very figure of radiant good health in these photos, but she'd like everyone to know that she'd only just been able to crawl out of her sickbed for the shoot because she didn't want to let her admirers among the Mayfair readership down.

"That's right – I've had a stinking cold for the last week. The only thing that's been going down in my bed lately is hot lemon with paracetamol in it!"

Hmm, well if you fancy anything more than that going down in bed, give me a bell, eh...?

QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

I'm currently a student and live in a shared flat with two of my best mates, Josie and Ella. We are closer than most roomies and often spend long periods together just hanging out or studying. Last

three way lesbian relationship.

While Josie and I have boyfriends, we are also bisexual, whereas Ella has never made any secret of the fact that she is a lesbian. Josie and I were a little shy of Ella at first,

experimentation we all found that we could not only make each other come more easily but that we could prolong each other's orgasms because we knew exactly which

spots to concentrate on.

We had been boning up for our end of term exams, when Josie threw her book aside and sighing, remarked that she was stressed and asked if someone would give her a massage. I hesitated, realising that things were likely to take an immediate Sapphic turn with Ella around.

As I had predicted, Ella promptly stood up and offered her services, saying with a laugh, that she was also feeling pressured and could do with a massage to help her relax. With the other two relaxed about it I began to wonder why I was making such a stupid fuss, and I stripped off like the others and fetched some towels while Josie went to see if she could find some baby oil or moisturiser.

Meanwhile Ella went to fetch the half bottle of wine we had in the fridge, pouring us all a glass to help us chill before we started, and after that the party began. Toasting one another we started

giggling and rolling about on the towels that we

had laid over Josie's bed - the only double in the flat. The wine relaxed us and rather than feeling awkward we were completely uninhibited.

Josie lay on her tummy, stretching out so that we could rub the scented oil which she had found in the bathroom cupboard into her tense muscles. I started at her shoulders, rubbing my fingers across her soft flesh and trying to release the knots. Meanwhile Ella began on her lower back working her way with alacrity towards Josie's voluptuous arse-cheeks. This made me change direction and work downwards towards where all the action was taking place.

We lightly massaged her buttocks for a short while before Ella gently eased them apart and suggested that I drizzle some oil along Josie's bum-crack. I did so, delighting in the way her little anal ring quivered and twitched as the oil ran over its surface. As one we worked the oil into

her ring, lubing it up until we could easily insert at least one finger. Ella shunted her digit in and out while under her instruction I began to rub Josie's labia, pinching and pulling the delicate petals until Josie began moaning and whimpering.

In wonder I watched as Ella slowly frigged Josie's bum-hole. It was such an erotic sight that my nipples hardened and I began to feel my pussy juice seeping between my now extremely sensitive labia. Slowly and gently I inserted one, and then two of my fingers between Josie's labia, moving them back and forth, in and out in time with Ella's fingers. Josie was sobbing and gasping as her pleasure grew and when Ella suggested I rub Josie's clit with my thumb, Josie came hard on my fingers, her internal muscles tensing as they gripped tightly around my invading digits.

I could feel Ella's fingers through the thin membrane which

separates Josie's two love-holes, and for that moment I felt intensely emotional and close to both of them. Josie came long and loud, her cries of ecstasy filling the room as her pussy and arsehole contracted and convulsed on our diddling fingers.

Once she had come down from the tremendous high we all snuggled together, kissing and caressing one another, our fingers trailing and teasing one another's sensitive areas. We oiled and massaged each other, arousing each other to dizzying heights

as our bodies writhed and shimmied against and over one another. My skin tingled as the girls fingers worked on my nipples and pussy. I found myself thrown back on the bed in abandon, my legs spread wide while Ella ate my pussy and Josie suckled on one nipple while her fingers tweaked and pulled gently at the other.

Ella's tongue probed deep inside my tingling slit, sliding in and out as my hips jerked up to meet it. Josie and I sucked on one another's teats, squeezing and kneading each others breast flesh at the same time. Then Ella's tongue withdrew from between my swollen and extremely sensitive labia and began batting against my throbbing clitoris. My back arched, as my orgasm grew in intensity and my whole pussy began to convulse, sprinkling my juices onto Ella's waiting tongue.

Still gasping from my exertion, I turned to Ella and kissing her on the lips mounted her like a man. Our tits squashed together as I began to ride her, our pussy mounds rubbing against one another. As we did this Josie moved behind me and began tonguing my ring. Ella and I ground our pubic mounds harder and harder as Josie probed and prodded my throbbing anus, and as we came together she pushed her face further between both our legs and began lapping up all our pussy nectar.

Sated, we all snuggled together, three very close friends. These days our boyfriends are a little confused by how diligent we have become in our studies, because we hardly go out at all except on weekends... and even then we are content to return home early and have a bit of fun together. Maybe we'll invite the boyfriends some time...

It's funny how life turns out, isn't it? My best mates from primary school were Lauren and Hannah – we were virtually inseparable and I thought that would never change. But we all went to different colleges and moved on, losing touch with each other. Then, in January, at a mutual friend's wedding, we met up again and just seemed to pick up where we left off. It was almost like we'd never left. We had a fantastic night, which reminded us all what a special friendship we shared and that we needed to keep in touch from then on. It ended up with Hannah inviting us to stay at her place in London a couple of weeks later. She knows all the best clubs, and sorted out one hell of a girls' night out for the Saturday.

That girls night was one to remember from the off! Hannah's a fashion editor for a major mainstream magazine (that shall remain nameless!) so she managed to pull some strings and not only get us a make up artist and stylist to get us ready, but had also bagged some high-end samples from the mag's wardrobe department! I'd never worn designer togs before and I felt fricking amazing!

Hannah also had a mate of hers pick us up in his Hummer and take us into Soho to start the evening off with a few cocktails. Talk about arriving in style! I've never felt so swanky as we pulled up outside the bar and everyone craned their necks to see who we were! It was so exciting!

We went to a few bars before hitting a club in Mayfair. That was really blingy, too, and I felt like a superstar, or something! We ordered a bottle of fizz to our table and relaxed, having an absolute scream, really enjoying being back together as a group again. It wasn't long before Hannah and Lauren announced they were itching to dance. I hung back, preferring to people-watch and soak up the atmosphere – and the booze!

And maybe it was down to that booze, but I just couldn't take my eyes off Hannah when she was on the dancefloor. She's got such a sexy body and she knows how to move it, so she's mesmerizing when she's lost in music. I began to feel a slight tingling in my groin, then realized what I was doing, gave myself a mental slap around the face and told myself to snap out of it!

Hannah's one of my oldest friends, after all! But I couldn't help thinking about Hannah in that way. I've never fully been with a girl, but I have had the odd innocent dalliance and have a fairly open mind

enough to satisfy me for the time being. When I walked back into the living room, I was amazed to find Lauren looking closely, fascinated, at Hannah's pierced nipples. Lauren's always moaning that her boobs are too small, and when I sat down, she grabbed my top and said to Hannah: "See? That's a proper pair of tits!" Hannah copped a feel, just as a joke, but when I glanced at her our

Hannah to say to me, "Guess where else I'm pierced?" As they started kissing again, Hannah laid Lauren down on the rug, crouching over her. I got in behind Hannah,

of snuggled up in the cab home, me in between Lauren and Hannah, and I started feeling a bit juiced-up. Again, this could easily have been the alcohol, but I couldn't ignore it and by the time we got back to Hannah's, my snatch was pretty moist.

Back at Hannah's I needed a wee, but while I was in the bathroom I had a little wank – not enough to bring myself off, but

of interest, but when she looked me right in the eye again, I leaned in for a kiss. We both felt gobsmacked, but Lauren looked so stunned we burst out laughing, and Hannah said, "Right! Let's lez her up too!" We sort of lunged at her, feeling up her tits, giggling like idiots, but then Hannah started snogging her too.

They broke apart, just long enough for

piercings before I peeled her knickers down. With Hannah's shaven snatch exposed, I had a bit of a feel, nervously at first - I'd never been this

intimate with a woman before. She gasped and started moaning when I gave the rings

as fast as I could lap it up, and when she turned around to look at me her face was

a gentle tug, and even louder when I gave her a quick lick, just to see how she tasted. Every time I paused, she'd moan, "Don't stop," and as I started lapping harder, and flicking her piercings with my tongue, she'd grind herself against my face.

As she pushed her arse back, I realised she was kissing her way down Lauren's body. I shuffled back until the three of us were in a bit of a chain

soaked with Lauren's sticky wetness. I kept three fingers inside her, to keep her on the boil, and she moved in for a wet snog with me – I tasted Lauren on her lips and tongue while she tasted herself on mine.

“MY TONGUE RAMMED UP HANNAH'S TWAT AS SHE WENT DOWN ON LAUREN'S...”

We switched around, so I was flat on my back, Lauren sitting on my face snogging Hannah, who was rubbing her sopping twat all over my boobs as Lauren fingered her clit. When they'd both come, Lauren got her first taste of another woman's cunt by going down on me, while Hannah rubbed a vibrating dildo in my cleavage.

“I STARTED LAPPING HARDER, AND FLICKING HER PIERCINGS WITH MY TONGUE...”

– my tongue rammed up Hannah's twat as she went down on Lauren's. Hannah was juicing almost

Hannah kept on saying that when she told her bloke what we'd been up to, he'd be kicking himself for going out with the boys that night. I said if he were here, I'd have him spunking on my tits. Sadly, he didn't get home until the next morning, but we consoled him by letting him take some pictures of us so that he's have a permanent reminder of what he'd missed

Blimey, here we are at issue 9 and this is the first time we've hooked up with statuesque stunner Sammi this year. Still, they say good things are worth waiting for, and if that's true for a pint of Guinness, how much truer is it for a set of pix of this babe stripping off to give us all an eyeful of her stupendous bod!

"I'd certainly like to think I'm more of a treat than a pint of Guinness!" she snorts. "For starters, I can't stand the stuff!"

Well each to their own, Sammi – and perhaps avoiding stout will mean you'll never have to worry about becoming, erm, stout yourself. Not that that looks like it'll ever be a problem!

"If I need any advice on how not to end up too stout, I know where to come!"

ULYSSE

Age: 28 Vital Stats: 32B-25-34 5'6"
Photographer: BBM

.....

A woman with long, wavy brown hair is posing in a red harness. The harness consists of multiple straps with buckles that crisscross over her chest, waist, and thighs. She is also wearing a red choker and white lace stockings. She is standing in front of a brown sofa with a white star-shaped cushion. The background is a light-colored wall with a subtle pattern.

Well, you come across some interesting names in this line of work, but I can't recall ever meeting a model who's named herself after a mythological hero. So Ulysse, what's the big idea?

"Ha, well I studied it at school a bit and I always thought Ulysse was a really cool name, so when it was time to choose a modelling name, I thought 'Why not?'

Why not indeed. So it's not like you're a massive fan of James Joyce, then?

"I started reading it, but I didn't get past page 2!"

Well we're sure our readers won't have the same problem with this set!

.....

From the magazine that last issue brought you the boob-tastic pairing of Dani Maye and Penny Lee, let us present this month's mammary marvels Cara Brett and Brooke Lea, who seem just as keen to tuck into each others tits and twats as last month's duo! Honestly, it's like we're turning into some sort of dating agency for big-breasted babes who fancy a spot of how's-your-father with an equally well appointed comrade! Still, as long as we get to watch, I guess it could be worse!

Given the time of year it's only natural that there are plenty of tasty titbits to be found in the kitchen, but top shelf legend Linsey Dawn McKenzie's certainly a more welcome sight than a few mince pies or a half scooped tub of Roses!

"Well I should think so too!" grins Linsey herself. "I think I could offer a good few treats that your readers would much rather tuck into, don't you?" And with that she gave those famous boobs a little jiggle, just to prove the point!

LYCIA

Age: 19 Vital Stats: 30G-26-31 5'2"
Photographer: BBM

From one busty beauty making only her second appearance in the magazine in Kylie to another in Lycia here, the rather classy Essex babe who first flashed (literally!) across our firmament in 52.12. Now that's a full 11 issues ago, which means that either the Ed's having too much fun to notice the passing of time, or he's too dodderly to realise he's forgotten to feature a home-grown stunner for far too long! (*Eh, what's that? - Ed.*) In any event, the wait is finally over. "Yes, I hope you get me back more than once a year, or I'll never pay off my student loan!" she wails. Well we'd hate for that to happen!
